Pelvis	\$ 700
Arthro MRI (with Gadolinium)	\$ 650
Supplement for infusion of Gadolinium	\$ 100

Exams covered by the RAMQ

Specialized Radiology
Mammography
Bone Densitometry
Therapeutic arthrography (50\$ fee for local anesthetic and injected medicine)
Diaganostic arthrography (25\$ fee for local anesthetic)
Facet Blocks 1 level (50 \$ fee for one side 75 \$ for both sides)
2 levels (75 \$ fee for one side 125 \$ for both sides)
3 levels (100 \$ for one side, 175\$ for both sides in 2 visits)
Maximum 4 sites per visit

Our top of the line MRI equipment, 1.5 Tesla, has the widest opening (70 cm) and the shortest tunnel (125 cm). It offers more space during the examination, allows obese patients to feel comfortable during the exam and diminishes the level of anxiety in claustrophobic patients.

Fast appointments. Opening hours 8h30 to 19h, Monday to Thursday and 8h30 to 16h30 Friday.
